

**RFI 071c
Pebble Project EIS**

Request for Information

Title/Subject:	Update of Avoidance and Minimization Measures in EIS
Requestor:	AECOM
Date Transmitted:	4/23/2020
Recipient:	Pebble Limited Partnership (PLP)
Response Requested by:	4/29/2020
Rationale:	<p>Comments from the cooperating agencies were received on PLP's proposed mitigation measures in Table 5-2 and new mitigation and monitoring measures have been suggested that were added to Appendix M1.0 for assessment of the likelihood of adoption by the Applicant or implementation as a condition in a state, federal, or local permit.</p> <p>PLP previously provided information on avoidance and minimization measures in the RFI 071 series. An update is necessary for the FEIS as well as the subsequent 404(b)(1) evaluation and permit decision. Proposed avoidance and minimization measures will be considered during the factual determinations of 404(b)(1) analysis and the public interest review.</p>
Describe the Information Requested and Level of Detail:	<ol style="list-style-type: none"> 1. Please review the attached Table M-1 measures (Attachment 1) and provide a response on any measures that PLP is willing to adopt as part of their proposed mitigation incorporated into the project. 2. Please review the attached Table 5-2 (Attachment 2) and provide the following: <ul style="list-style-type: none"> • Incorporate measures from Table M1.0 that PLP is willing to adopt • Edit measures, as appropriate, in response to comments on specific measures (see comment bubbles with specific comments). • Review track-change edits and incorporate comment bubbles with a response to whether PLP agrees to or rejects the edits. • Add new measures PLP has identified that are not currently in the table.

Recipient Response Form

Date Received from USACE:	4/23/2020
Response from Recipient (Describe Information Requested to the Level of Detail Requested; Provide Attachments as Needed):	Please see attached files. One contains PLP's edits and responses to changes to Table 5-2, the other contains additional mitigation measures from Table M-1 and other sources that PLP is committing to for the Pebble Project.
List Number and Type of Response Attachments:	Additional PLP Mitigation to be included in Table 5-2.doc 04_23_2020_RFI_071c_Attachment2_Table_5-2 JF PLP edits.doc
Date Returned to USACE:	5/4/2020
